PROFESSIONAL EXPERIENCE

Medical Consultant

June 2021-Present

Office of Legal Affairs

California Correctional Healthcare Services

Sacramento, CA

Analyze data pertaining to medical cases, prepare written reports, and present findings to committees and executives as indicated. Prepare responses to court inquiries, lawsuits filed by patients, inquiries by patient advocates, medical board inquiries, and other matters involving claims regarding the medical condition of patients. Review litigation and/or appeals for health care services, patient injury, or medical conditions and claims related to and/or against custody or other non-medical CDCR and CCHCS staff. Perform detailed review of medical records, write summaries and opinions regarding patient care, identified by attorneys as relevant to litigation, including patient administrative appeals. Review CCHCS/CDCR activities and incidents in accordance with Departmental rules, regulations, policies, and procedures. Provides expert witness testimony under oath by way of declaration, deposition testimony, or testimony in courts located anywhere within the State of California.
